

Dear National Scorers, and National and Junior National Referees,

Wow, what a year it has been.

We have a lot to celebrate with breaking the attendance record not once but twice. We saw our first outdoor match in Nebraska with a world record-breaking attendance for women's competition in all sports of 92,003, as well as a new indoor NCAA match attendance record at the Final Four in Tampa at 19,598.

We want you to know how much we appreciate all your hard work and dedication to the clubs, coaches and teams.

Happy holidays and happy new year!
